WORK EXPERIENCE

Speedpay Finance Nigeria - Frontend Developer

March 2024 - Present

- Developed and maintained high-performance, responsive web applications with Vue.js, Nuxt.js, and Tailwind CSS, supporting seamless user experiences across devices.
- Translated Figma designs into pixel-perfect, responsive UI components using Tailwind CSS, establishing a consistent design system that reduced design-to-dev handoff time and ensured brand consistency across pages/components.
- Partnered with backend teams to integrate APIs in Vue/Nuxt applications, implementing robust async data handling, error boundaries, and loading states resulting in smoother UX and fewer user-reported issues.
- Improved Lighthouse scores (Performance, Accessibility, SEO) across multiple pages.
- Actively contributed to Agile ceremonies (daily stand-ups, sprint planning, retros) in a cross-functional team, consistently delivering features on schedule.
